2018 AUSTRALIAN OPEN

SLEEMAN SPORTS COMPLEX – BRISBANE

23rd – 25th FEBRUARY 2018

FROM THE PRESIDENT OF THE AUSTRALIAN WEIGHTLIFTING FEDERATION

On behalf of the Australian Weightlifting Federation, I am delighted to warmly welcome athletes, coaches, technical officials, competition staff and spectators to the 2018 Australian Open.

This event will see a preliminary view of many of the new stars from the Oceania region and Australia setting the stage for the 2018 Gold Coast Commonwealth Games which is just around the corner.

This event has attracted over 120 athletes from Australia and overseas so it's going to be a busy and exciting three days of competition.

Many have travelled far to contest this exciting Australian Weightlifting event and we thank everyone of you for making the effort. I am sure we will witness many exciting tussles as lifters fight for the highest placing and medals throughout the sixteen bodyweight categories.

I have no doubt that the event will run smoothly and efficiently and publicly thank the Australian Weightlifting Federation for taking on host duties, and the many sports dedicated weightlifting volunteers and weightlifting officials, for without your continued support this event would not be possible.

A special acknowledgement to the Australian Sport Commission and our sponsors for their continued support of weightlifting in Australia.

I trust you will all have an enjoyable stay in Brisbane taking away only fond memories of the 2018 Australian Open.

Craig Wegert
President – AWF

PARTNERSHIP WITH THE AUSTRALIAN INSTITUTE OF SPORT

The Australian Weightlifting Federation is strongly supported by the Australian Government, through the AIS.

The AIS plays a central leadership role in the development and operation of the Australian sports system, administering and funding innovative sport programs and providing leadership, coordination and support for the sports sector. The Australian Weightlifting Federation has formed a winning partnership with the AIS to develop Olympic Weightlifting from community participation to high performance level.
