## **BY-LAW**

### **INDIVIDUAL MEMBERSHIP**

***This By-law is made by the Australian Weightlifting Federation (AWF) Board under Clause 20.1.1 of the AWF Constitution. It is binding on AWF and all members of AWF.***

***Approved by the AWF Board on 18 October 2018***

## **1. INTRODUCTION**

This By-law sets out the AWF Individual Membership rule for a person applying for AWF Membership to a state weightlifting association (State Member).

## **2. INDIVIDUAL MEMBERSHIP PROCEDURE**

The AWF rule is that every person who applies for membership must apply to the State Member in the state in which they reside.

## **3. EXCEPTION TO THE RULE**

The only exception to this rule is where a person lives within close proximity to a state border, and the two (2) State Members agree to allow a person to join the other adjoining State Member in the state in which they do not reside.

Where both State Members agree to this Individual Membership, the Interstate Membership Agreement Form must be completed by the person (applicant) and both relevant State Members. This form must be sent to the AWF CEO via email [imoir@awf.com.au](mailto:imoir@awf.com.au) for final approval.

## INTERSTATE MEMBERSHIP APPLICATION

This form is to be used where an individual seeks to become a member of a State Member of a state in which they do not reside.

### Instructions:

1. The individual applying for interstate membership must complete Section 1 of this form and send to the State Member of which they are currently a member.
2. The State Member which receives this form must complete Section 2 and send to the corresponding State Member as soon as possible but within 14 days of receipt.
3. The corresponding State Member must then complete Section 3 of this form and return to the initiating State Member as soon as possible but within 14 days of receipt.
4. The initiating State Member notifies the individual of the completion of their application within 7 days of receipt of the completed form.
